# Investment Factors

# Expected Result

# But ... Business Need People

But not just any people, **TALENTED** people.

Microchips, machines or raw materials cannot innovate.

It is **PEOPLE** who have to come up with the vision and the ideas to move organizations forward.

# Some Distinctions

We were honored with the **2012 Stelios Haji-Ioannou Award**, supported by the Greek Entrepreneurship Club.

We are the only Greek company, supporting the members of the **Association of Chief Executive Officers** for Career Issues.

Our Transition Counseling Service is the only one accredited by the **i-MBA, Athens University of Economic and Business** offered to its students.

We are selected to support the winners of the **2013 Hellenic Entrepreneurship Award** by THI (The Hellenic Initiative) in HR issues.

Proud to be **IVLP**, in The State Dept Program for “Small/Medium Business Development”, USA, 2014.

# ***WE NEED INVESTMENTS!***

**To create jobs**

**To exploit our  
main asset**

**To stop brain  
drain**
